MOTOR BODY REPAIRS LTD

Dear Valued Customer,

As you would expect, the health and safety of our valued customers and employees is our highest priority. As a result, we are closely monitoring and following Government advice in the wake of the Covid-19 outbreak.

We are also committed to maintaining our high standards of service, so thought we would share with you some of the procedures we have put in place to safeguard our staff and customers:

- All our staff are regularly washing their hands with hot water and soap;
- We are disinfecting high traffic areas such as door handles and handrails;
- Hand sanitisers and bins are available on site and we ask staff and customers to ensure used tissues are placed in the bin immediately and hands then washed or sanitised;
- We sanitise all customers' cars and our loan cars before handing over to customers;
- We have asked our staff to desist from shaking hands with customers for the time being, and to avoid close contact.

Kind Regards

Liam Kenny Motor Body Repairs Ltd
