MOTOR BODY REPAIRS LTD

Liam Kenny Motor Body Repairs Covid 19

Further to the recent news we would like to let you know we are classed as an essential business, so we will be able to stay open during this lockdown period and continue to repair your car and get you back on the road safely.

To give you peace of mind, we can confirm that we operate following strict Covid Secure Guidelines. All cars have an antibacterial cleanse at the start of the repair process and before we hand the car back to you. This also includes courtesy cars.

Our drivers will be wearing PPE that includes masks, gloves and carry antibacterial wipes and hand gel with them at all times.

We look forward to seeing you and if you have any questions, please contact our reception desk on 01865 880011 and we will be more than happy to answer them for you.

Simon Kenny

Managing Director
